

Step 1. Set-up

ARTWORK/SET UP

Set up fees are a combination of art, film, and screens. It is a one time fee. Our experienced t-shirt artists will provide you with clean, professional results. Artwork and digital prep from your files is quoted on an individual basis.

CAMERA/DIGITAL OUTPUT

Film Positives.....\$12. to \$22. (by size)
Process separations, scans and digital output are all quoted based on the individual job requirements.

SCREENS

Each color in the design will require a separate screen and each screen requires a film positive.

Standard (up to 12" image).....\$30.00
Oversize and Process.....\$45.00

PMS MATCH/COLOR CHANGE

PMS color matching per color.....\$25.00
Color change (orders under 72)..\$ 5.00

MINIMUMS

The minimum wholesale order is one dozen garments. Sizes and styles may be combined to meet this minimum. Orders less than 12 pieces are priced at retail rates and are also subject to additional fees.

EMBROIDERY

Custom digitizing averages \$18. per thousand stitches, with a minimum of \$85. Embroidery fees vary, and are quoted on an individual job basis.

We recommend embroidery on caps and upscale apparel. Please call for prices and suggestions on many other fabulous garments that are available.
